Personal Notes

Confidentiality

All patients have a right to maintain confidentiality about their treatment whilst they are on the ward and staff can only share information about patients if they have given permission for this. Staff do encourage and promote the involvement of carers and if permission is not given they will revisit this decision on a regular basis with the patient and promote the benefits of carers being involved.

If you know that your relative/friend/partner has made an Advanced Statement or an Advanced Decision, please inform a member of the nursing team.

Sometimes, in order to provide effective assessment and treatment, it may be necessary to share information with other agencies. Some patients' difficulties mean that they are unable to give informed consent. With these patients, staff will liaise with people who know them well and work on a best interest/need to know basis.

If you would like to discuss your relative/friend/partner's care there are a number of ways this can be done including attending weekly reviews or specific appointments. If you wish to discuss something confidential please let us know and we can arrange for you to arrive a few minutes early for the meeting. If you cannot attend meetings then we would be happy to arrange a telephone call with you where we can record your comments for input at the meeting.

For more information please talk to nursing staff.

Preparation for discharge

In preparation for discharge from Rosewood unit, we would organise a multi disciplinary meeting with all the professionals involved in your relative/friend/partners care package.

We involve carers or next placement with these meeting for effective communication during this process.

What happens on admission

On admission you will be met by a member of staff in a quiet area where sharing of information can take place. You will then be shown around the ward and introduced to the staff on duty.

Rosewood is split into a male and female area with separate sleeping, dining and recreation areas.

We will ensure that you have information on

- Reviews
- Therapeutic Time
- Activities
- Spiritual Care
- Medication
- Health and Wellbeing
- Discharge Planning

We want you to have all the information you need so please feel free to ask us any questions or concerns that you have.

What to bring

Prior to admission to Rosewood Unit you can phone the ward if you have any questions about what your relative/friend/partner should bring.

Some other patients have brought their clothes, toiletries, television, radio and pictures etc. Whilst on Rosewood Unit you could discuss with staff different items to bring on the ward.

What not to bring

We would discourage patients from bringing valuable items, large amounts of money and items which may pose a danger to others.

Any electrical items will need to be safety checked before they can be used.

Staff can give you a list or talk to you about the things that cannot be brought onto the ward.

The ward has guidelines covering the use of mobile phones, and the general rules of the ward.

Care Planning

On Rosewood a care plan approach meeting (CPA) takes place every 9 weeks this is an opportunity for discussion about how your relative/friend/partner is progressing through rehabilitation. Your relative/friend/partner and the staff involved in their care will attend this meeting. A care plan will be developed with each patient, outlining their care and treatment. Staff encourage carers to be part of this. This is also an opportunity to amend plans and goals, discuss concerns and how you are feeling,

The doctor and the nursing team review each patient's care and medication on a weekly basis. Carers are encouraged to attend these review meetings with the patients consent.

Occupational therapy staff offer a wide variety of activities for service users on Rosewood Unit to include daily 1:1 time and also breakfast groups and recovery college. Service users can also access to Psychology.

The care plan will name which staff will be responsible for ensuring that it is implemented.

As a carer you may feel that you wish to talk to us confidentially about information which you feel is important to your relatives care. Please talk to any member of staff who will put you in touch with the named nurse.

Religious and Spiritual Beliefs

The religious and spiritual beliefs of individual patients are respected and supported whilst on the ward.

The Hospital Prayer Room is situated on the ground floor opposite the Oasis Café. It is open 24/7 for people of all faiths and no faith as a place for quiet reflection.

Prayer mats, Bibles and various other Holy Scriptures are available on request. There is a prayer request box in the Prayer Room.

Our Chaplains are available to talk to or meet with you. Our Chaplains hold services in the prayer room and visit the ward.

Chaplains are available 24/7 and can be contacted on Ext 7354 or in emergency through the staff.

Enhancing Health

It is against the law to smoke inside any Cheshire and Wirral Partnership NHS Foundation Trust building. It is also against Trust policy to smoke within the perimeter of trust property.

Service users are requested not to bring tobacco products in to the ward environment and are advised to leave them at home.

We offer a comprehensive range of nicotine replacement therapy. We also offer support and advice for service users who would like to stop smoking.

As a health facility, the ward aims to promote and encourage healthy lifestyles through good diet and exercise.

What does it mean if my relative has been admitted under a section of the Mental Health Act

Sometimes, due to the nature of a patient's disability or illness, they need to be admitted under a section of the Mental Health Act.

We will sit down with you and explain what this means for you and your relative.

Advocacy can also be a useful source of information about the Mental Health Act.

Independent Advocacy

Advocacy is available to support people who have difficulty expressing their views or wishes effectively. An advocate can represent the views of a person at meetings and reviews so that each person's rights are respected and listened to.

Advocacy may be able to provide additional help with benefits.

The contact details for the local advocacy service are:

The Cheshire Advocacy Hub
Sension House
Denton Drive
